

HOW TO REGISTER FOR MATP SERVICES

If you are in need of MATP services call ATA MATP to request an official application. In Cameron, Elk or McKean County you call toll free 1866-282-4968. On the application you will be asked for your ACCESS card number to help verify that you are eligible for MATP services, and you will be asked a few questions about your need for transportation.

Make sure you note any special needs you may have like: if you use a wheelchair or walker; if you have any problem that keeps you from riding in a bus or van with other people; or if you need to have someone go with you to your appointments.

When you get a ride through MATP, you are expected to get to the curb to be picked up. If you have any disabilities or limitations that keep you from getting to the curb, tell that to ATA MATP who is required to provide you with door-to-door service if you medically need it.

If you are registering a child who is under 18, a parent or guardian can accompany the child to their appointments at no cost to you.
